'Develop your artistic talents this summer at the All you can Art Summer School!'

Do you want to apply for admission to an art academy? Do you want to enter the creative sector? Do you want to develop your own skills, collaborate with other talents and participate in artworks on location and in the Kunsthall? Then the All you can Art Summer School is for you!

Perhaps you have heard of the All you can Art Summer School before? The Summer School is a part of the All you can Art project. All you can Art is a collaboration between the Kunsthall Rotterdam and Instituto Buena Bista (IBB) from Curaçao. IBB was founded more than ten years ago by artists David Bade and Tirzo Martha. On Curaçao they prepare talented young people for an artistic further education (abroad). You can register now for the fourth edition of this special Summer School in the summer of 2019!

'Thanks to the All you can Art Summer School, I have learned to less doubt myself and to just do it.' - Eileen van Dam

'The freedom that the assignments give you is very special to experience, you can still express your own creativity in it.' - Bloem Brouwers

Tell more! What am I going to do?

Briefly said? Experience an artistic summer under the guidance of artists! The first week you will get to know the artists, the locations and the Kunsthall Rotterdam. You get to hear all the ins and outs of the artists (David Bade, Tirzo Martha, Rieneke de Vries, Liesbeth Labeur, Elvis Chen and Roxette Caprilles etc.) about their own work. The following weeks you will be working together in small groups. Do you know the principle companion? That means that you learn by participating, cooperating and introducing your own ideas and talents. You can learn and pick up a lot by working directly with the experienced artists. The work that you make on location will be presented in the exhibition workshop in the Kunsthall Rotterdam. You will get the opportunity to create your own work, which you will receive feedback on from David Bade and Tirzo Martha.

Sounds good, but what skills will I learn?

Good question! You will discover that it takes more than mastery of techniques to make good art. It depends on passion, hard work and good ideas. Is that a skill? Certainly. Of course you learn many new techniques in the process. After a summer of All you can Art you will have acquired the following skills: #looking properly #sculpting #painting #drawing #new media #performance #art theory # art history # social practice #presentation # entrepreneurship #working hard

Saturday 11 May 2019

So you can't wait to take part in the All you can Art Summer School 2019 and you satisfy the conditions? Then fill in and send us the form via www.kunsthall.nl/en/summerschool/ before Thursday 9 May to confirm that you will be present on admissions day. You will receive an e-mail on Thursday 9 May telling you what time to be present in the Kunsthal. Make sure that you are available for the whole day on Saturday 11 May.

I'm coming to the admissions day. What should I bring?

There is an admissions procedure before you can take part in the Summer School. Make a good overview (portfolio) of everything you have made and done in the artistic field. Sketches, experiments, photos, a dummy. Don't just bring your best work but also things that show how you work.

And make an admissions work on the theme 'outside'. Outside your home, outside the city, outsiders or people who spend their time out of doors. It can be a drawing, painting, collage, digital work or something completely different. Surprise us and yourself too!

Questions? We will help you along.

Send an e-mail to summerschool@kunsthall.nl or call the Kunsthal reception desk during office hours: 010-4400300.
